For the Founder's Camp in 1954 the B.B. were fortunate in obtaining the famous playing fields of Eton College. Now that it has been decided to hold our International Camp in Scotland we are no less fortunate in the site which has been secured. The B.B. is extremely grateful to the Governors of Trinity College, Glenalmond, one of Scotland's famous schools, for putting at our disposal the College Playing Fields. It lies about 10 miles north-west of Perth on the southern bank of the River Almond, facing the lower ranges of the Grampian Mountains, in what has been called the most beautiful and varied province of Scotland.
